Subject: Revised Work Plan
[161803-0403-099R2.doc](#)

Team,

Here is the Work Plan, with correction of an oversight (as discussed yesterday).

We have been talking to the following radon mitigation contractors; each will be conducting an on-site review next Thursday morning:

- Environmental Doctor (Centerville, Ohio)
- Geiler Company (Cincinnati, Ohio) and
- Radon Systems (Westerville, Ohio).

I plan to contact A-Z Solutions, Inc. (Canton, Ohio) today to see if they meet licensing, safety, experience, etc. criteria.

I will be sending an index that lists each file name associated with Appendix and Figures (sent on Wednesday) shortly.

Thank you,
Katherine H. Beach, R.E.M.
Environmental and Marketing Specialist
